Opportunities for Internships/Special Programs

- The Mid-Eastern Association of Educational Opportunity Program Personnel announces its 2020 scholarship competition. In order to help defray the college expenses of some of our outstanding TRIO students for the 2020-2021 school year, we plan to award scholarships in the amount of $1000. The deadline for completed applications is Friday, March 20, 2020. The winners will be announced at the MEAEOPP Conference. Only Juniors may apply.

Seniors - Now that your graduation ceremony is being postponed, we would like to hear about any ideas you may have on how we can celebrate online. Be creative and let Mr. B or Dr. Kinard know your thoughts.

Seniors & Senior Parents/Guardians:

- **Scholarship Search Tips:** Now that most college applications have been submitted, this is a great time to shift your attention to researching and applying for scholarships. Here are some tips:

  1. Register and complete a profile for College Greenlight, a free scholarship database that both students and parents can use. Visit [www.collegegreenlight.com](http://www.collegegreenlight.com)

  2. Find out your high school’s process/method for distributing scholarship information (email list, bulletin board, binder in the Counseling Office). Be sure to check regularly for updates.

  3. Share scholarship information with your peer or parent network. If you come across a scholarship that you are not eligible for, chances are someone you know may be able to apply. Ask those in your network to also share scholarships with you.

- **FAFSA Completed! Now What?** Senior and parents/guardians: After you complete the FAFSA, please monitor your email for a confirmation message letting you know that your FAFSA was “successfully submitted”. The confirmation email should include the following:

  a. Student’s estimated family contribution (EFC)

  b. An estimate of federal grants or loans you will receive

Please review this email carefully and forward it to your Upward Bound Counselor. View this [website](https://www.precollege.umd.edu) “After the FAFSA: What Happens Next?”

- **Register for MDCAPS:** The second step to get money for college is for students to register for the Maryland College Aid Processing System (MDCAPS). Students can register at the MDCAPS [website](https://www.precollege.umd.edu).

- Student Ambassador applications are available on the website under forms
