  o The **Mid-Eastern Association of Educational Opportunity Program Personnel**
    announces its **2020 scholarship competition**. In order to help defray the college
    expenses of some of our outstanding TRIO students for the **2020-2021** school year, we
    plan to award scholarships in the amount of **$1000**. **The deadline for completed applications is Friday, March 20, 2020.** The winners will be announced at the MEAEOPP Conference. Only Juniors may apply.
  o The **Southern Management Leadership Program** serves as a gateway to higher education by providing scholarships for students transferring from Prince George's Community College and Montgomery College to the University of Maryland. The program was founded by the late David Hillman, Suzanne Hillman (President and CEO of Southern Management Corporation), and the Hillman Family, as a way to develop strong leaders who will use their education and experiences to make a positive impact on their hometowns.

The Southern Management Leadership Program provides promising students with financial, academic, and professional resources. Program participants start at Prince George's Community College or Montgomery College and then transfer to the University of Maryland. Students receive scholarships and other aid, and they benefit from dedicated mentoring, advising, curricula, professional training, internships, and a rich network of alumni contacts and career resources.

For more information about the Southern Management Leadership Program at UMD, please visit the program website at [https://www.smlp.umd.edu/overview.html](https://www.smlp.umd.edu/overview.html).

**Seniors & Senior Parents/Guardians:**

- **Scholarship Search Tips:** Now that most college applications have been submitted, this is a great time to shift your attention to researching and applying for scholarships. Here are some tips:
  1. Register and complete profile for College Greenlight, a free scholarship database that both students and parents can use. Visit [www.collegegreenlight.com](http://www.collegegreenlight.com)
  2. Find out your high school’s process/method for distributing scholarship information (email list, bulletin board, binder in the Counseling Office). Be sure to check regularly for updates.
  3. Share scholarship information with your peer or parent network. If you come across a scholarship that you are not eligible for, chances are someone you know may be able to apply. Ask those in your network to also share scholarships with you.

- **FAFSA Completed! Now What?** Senior and parents/guardians: After you complete the FAFSA, please monitor your email for a confirmation message letting you know that your FAFSA was “successfully submitted”. The confirmation email should include the following:

Please review this email carefully and forward it to your Upward Bound Counselor. View this [website “After the FAFSA: What Happens Next?”](https://www.collegegreenlight.com)
- **Register for MDCAPS:** The second step to get money for college is for students to register for the Maryland College Aid Processing System (MDCAPS). Students can register at the MDCAPS [website](#).

- **Senior Graduation Ceremony (June 3, 2020) at 6:30 pm., Colony Ballroom.**
