Joe Corbi's pizza is not just any pizza. It's gourmet pizza. The difference is in the perfect combination of fresh, proportioned ingredients, including a special blend of whole milk mozzarella and provolone cheese with our secret family spice mix, our signature crusts, and the legendary Corbi family sauce that Joe and his mother created in her kitchen many years ago.

Baltimore native Joe Corbi founded his company in 1983 after decades of working at his dad's local pizza crust company. Though other pizza chefs settled for average, Joe refused to make anything but the Corbi family's best. He spent hundreds of hours tweaking treasured family recipes to give customers the perfect pizza experience.

Today, along with Joe's family members, we are proud to continue the tradition of offering delicious pizza and other products to help organizations raise money to achieve their fundraising goals.

With Joe Corbi's gourmet pizza, it's easy to get creative and have fun with cooking. Just start with any of our pizza kits and add a few of your favorites from your kitchen.
